

# Uncle Joe's Farm PRIVACY POLICY

This privacy policy governs your use of the software application Uncle Joe's Farm ("Application") for mobile devices that was created by Rodrigo P. L. Pinto ("Developer"). The Application is a game designed to entertain children under the age of 6 years old.

What information does the Application obtain and how is it used?

## User Provided Information

The Application does not obtain any user information. No registration is required.

## Automatically Collected Information

In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

Does the Application collect precise real time location information of the device?

No.

Do third parties see and/or have access to information obtained by the Application?

Yes. We will share your information with third parties only in the ways that are described in this privacy statement. We may disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy

statement.

- if the developer of the Application is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via email and/or a prominent notice on our Web site of any change in ownership or uses of this information, as well as any choices you may have regarding this information.
- to advertisers and third party advertising networks and analytics companies as described in the section below.

## Automatic Data Collection and Advertising

We may work with analytics companies to help us understand how the Application is being used, such as the frequency and duration of usage. The collection of anonymous data for the study of usage behaviour is done through Fabric. You can read Fabric's privacy policy here:

What are my opt-out rights?

You can stop all collection of information by the Application by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.

## Data Retention Policy, Managing Your Information

We will retain User Provided data for as long as you use the Application and for a reasonable time thereafter. If you'd like us to delete User Provided Data that you have provided via the Application, please contact us at [rodrigo\\_plp@yahoo.com](mailto:rodrigo_plp@yahoo.com) and we will respond in a reasonable time. Please note that some or all of the User Provided Data may be required in order for the Application to function properly.

## Children

We do not use the Application to knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at [rodrigo\\_plp@yahoo.com](mailto:rodrigo_plp@yahoo.com). We will delete such information from our files within a reasonable time.

## Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorised employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavour provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

## Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy at [http://rodrigopedroso.xp3.biz/Rodrigo/Software\\_development.html](http://rodrigopedroso.xp3.biz/Rodrigo/Software_development.html). You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

## Your Consent

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information.

## Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at [rodrigo\\_plp@yahoo.com](mailto:rodrigo_plp@yahoo.com).
